Chief – the new K-9 officer will be Les Hall. He will meet with K-9 officers in the area and gather opinions on breeds, disciplines, etc.

The new Tri-Met officer will be Ron Glenn.

We won't be able to fill the vacancy this creates.

The City is still looking into urban growth area annexation. We would need to add 5 – 7 more officers to keep service levels the same. There was a discussion regarding annexation.

Chief's plan is to add 5 officers to handle the light rail areas. The approximate cost for an officer is \$120,000/year. It takes approximately 18 months to get an officer hired, through the academies, and field trained before they can work the road.

Drug turn-in day is this Saturday. Captain Rash will be in charge of that.

New Visions foster care house – making progress in their meetings.

There is \$5,080 left in the community safety assessment fund.

The Police Department is working on active shooter training with the Library and the Waldorf School. They're also working on a plan with the North Clackamas School District.

Speed signs – Linda asked if we purchased another one how would it impact officers' time? Sgt. Marl is in charge of the traffic program. We will assign a motorcycle officer to maintain the signs so it will not effect patrol operations. Joanne asked if the Chief would object to a permanent sign on River Road. He wouldn't object to it.

At the request of PSAC Chief will invite the Finance Director to attend the next meeting to explain the changes in the photo radar/community safety assessment fund.

WSMP – Jason – Stanley project – they met with the property owners. There's an issue regarding trees. Ray made a motion to use funds to add a crosswalk on Harrison at 26th. Linda seconded the motion. Passed unanimously. There was a discussion regarding the other projects. They will go ahead with the Washington Street plaza/beacons project.

Light Rail – Ray – Tri-Met will be attending the next meeting to address safety issues. They will need to close Washington, Harrison, Adams, and Monroe Streets this summer to install the rails (one street at a time). McLoughlin will also need to be closed for a short time in August.

K-9 fund raising – Sue – gave an update on fundraising efforts. They will be putting on a dog wash – possibly on June 8th. The registration forms and fliers for the K-9 walk are done. The grant request was declined. She is applying for another two grants next month.

Safety Fair & Shred Day – April 27th.

Meeting was adjourned at 8:20 PM.
